

reader's choice board

Using a novel of your choice, choose **one** of these squares to complete.

Each square is filled with **multiple tasks** to complete your assignment. You must complete all tasks in your chosen square to receive full credit.

With your teacher's OK, you can choose tasks in other squares to complete.

1 Act Play

You will write a play. It has only 1 act but can have multiple scenes

- create an organizer with your characters, scenes, and key actions
- write your play in the format of a script.
- include stage directions, dialogue, and costuming in your script.

Museum Exhibit

You will create an exhibit with information and 1 artifact.

- create an organizer with 3 key details to highlight in your museum exhibit.
- create 1 "artifact" for your exhibit and write a label explaining it's meaning.
- design a brochure or flyer with details about your exhibit and what's featured.

3D Scene

You will design an important scene from the book in a diorama.

- create an organizer listing the scene details you want to feature.
- design your diorama with each detail you listed out.
- create labels for key features write a brief overview about the diorama.

Before or After

You will write a chapter explaining what happened before the story starts or what happens after it ends.

- create an organizer with details about the characters, setting, and action.
- write your forward (beginning) or epilogue (after) for the story.
- Using your organizer, write notes about why your made the choices you did.

Interactive Journal

You will create an journal highlighting each chapter with photos, drawing, text, and more.

- organize your journal with a table of contents for each chapter
- fill in each section with photos, drawings, or other materials to highlight the theme, main events, and character actions for each chapter.
